

## DELTA COUNTY WEEKLY UPDATE

**Delta, Colorado (July 31, 2020):** Delta County COVID-19 Update

### UPDATED Testing Information:

Delta County Health Department is reporting 8 additional cases in the past week, since our last update on July 23, 2020. Our total case count is 102 with 97 individuals recovered. 72 individuals have tested positive; 30 individuals have been in close contact with an individual who tested positive, and have experienced COVID-19 symptoms. One individual is hospitalized and one death is being reported.

- #95, female, in her 30s, the case is under investigation
- #96 - female, 40s self-isolating at home
- #97 - male, 30s self-isolating at home
- #98 - male, 60s self-isolating at home
- #99 – female, in her 30s, self-isolating at home
- #100 – male, in his 80s, under the care of a personal physician
- #101, - female, in her 60s self-isolating at home
- #102 – male, in his 60s, self-isolating at home

To date, 3,772 tests have been administered; 168 are pending.

As Delta County's positive cases increase, it's important to note that Delta County is experiencing community spread of COVID-19, as was first reported on April 24, 2020. Community spread occurs when Delta County Health Department is not able to determine how a person contracted the virus, which means the virus has spread beyond known contacts.

Delta County wants to remind everyone of your personal responsibility in keeping our community healthy; please do you your part in:

- Wear a mask or face covering
- Maintaining 6 feet of physical distance from others
- Wash your hands thoroughly and often
- Stay home if you are at risk or sick
- Self-report and call in immediately if you are sick
